Please remember to complete the required forms and documents found on the New Student Orientation Checklist. Many of these items are required in order to register or to move on campus. Green check marks and purple arrows indicate if a form has been adequately completed or submitted.

The following list is a description of the documents in the Academic section of the New Student Orientation Checklist. Please refer to these documents to help you choose, find, and enroll into classes for next semester. Also remember you can call the Center for Advising & Academic Success at (562) 907-4816 or email caas@poets.whittier.edu if you have any specific questions.

☑ Your Fall 2015 Schedule
  o The list of the 4 or 5 courses you will be signing yourself up for this summer.

☑ Link Class Descriptions
  o The list of required Freshman Writing Course – Link Course pair options.

☑ Liberal Education Requirements
  o An explanation of the Liberal Education Program and recommendations of how to fulfill these requirements.

☑ Department Course Recommendations
  o Courses recommended for incoming freshman by the faculty of each academic department.

☑ Tutorial on Using Online Schedule of Classes
  o An explanation of how to use and search for classes.

☑ Tutorial on Course Registration
  o An explanation of how to add, drop, and waitlist yourself for your courses.

☑ Class Planner Worksheet
  o A useful tool that helps you to schedule courses to your liking and avoid time conflicts. Print out for your use.

☑ Math Placement Test
  o Please do not use textbooks or any other study material while taking this test. The 90-minute assessment will indicate which math course you will be allowed to enroll into. Testing into a more advanced math course does not waive your Quantitative Reasoning requirement. You will need to complete this test before registering for classes.

☑ Language Placement Test Guidelines
  o Instructions and recommendation based on the outcomes of you Language Placement Test Score.
Language Placement Test
- Please do not use textbooks or any other study material while taking this test. The test will assess which language level will be appropriate for you to take. Completing a language course at Whittier is not a requirement. You will need to complete this test before registering for classes.

Summer Reading
- Required reading for all first years.

Registration Link
- This hyperlink will redirect you to the my.whittier page to start the class search and registration process.
